How Did I Do?

Writing genre: Story

1. Which do you think was the most interesting part of your story?
2. Which features of your story did your readers like best?
3. Which do you think you handled the best - the plot, the characters, or the setting? Why?
4. Did the dialogue in your story sound like real people talking?
5. What was the most difficult part of writing your story?
6. What was the most fun part of writing your story?
7. What did you learn from writing this story? How can this experience help you write your next story?
